

## Weobley Primary School

## Vision Statement

---

**'A safe, happy learning environment where everyone is valued'**

The staff at Weobley Primary School are committed to working together to contribute to the healthy growth and development of all our children.

We aim to create an atmosphere of care, trust and respect in which children feel nurtured, encouraged and valued and staff feel supported by one another.

Through a stimulating and broad curriculum, we embrace the diversity of cultures, race and social backgrounds.

We aim for each child to reach their full potential, to be confident and to develop a positive attitude towards their own learning.

We will provide a wide range of learning opportunities for the children; encourage them to value their own achievements and to celebrate the success of others.

Our high expectations for achievement include good behaviour, tolerance, co-operation and fairness.

We welcome active involvement of parents and carers in the life of the school and recognise their vital role in laying the foundation of their children's educational development.

This partnership is extended to the wider community, where strong, mutually beneficial links are valued.
