13th March 2020

Dear Parents/Carers,

COVID-19

Yesterday, the Government announced that we are moving out of the contain phase and into delay, in response to the ongoing coronavirus (COVID-19) outbreak.

The Government are asking anyone who shows certain symptoms to self-isolate for 7 days, regardless of whether they have travelled to affected areas. This means that they want people to stay at home and avoid all but essential contact with others for 7 days from the point of displaying mild symptoms, to slow the spread of infection.

The symptoms are:

- a high temperature (37.8°C and above) **AND/OR**
- a new, continuous cough

You do not need to call NHS 111 to go into self-isolation. If your symptoms worsen during home isolation or are no better after 7 days contact NHS 111 online at 111.nhs.uk. If you have no internet access, you should call NHS 111. For a medical emergency dial 999.

We would ask that Parents and Carers adhere to this guidance, with regards to both your own wellbeing, and that of your child, and also for the benefit of the whole school community.

In light of this information, if a pupil displays a temperature or develops a persistent cough whilst in our care, we will expect them to be collected from school as soon as possible, and not return for seven days.

Please ensure that the admin team are updated with any change to your contact numbers.

Many thanks for your assistance in this matter.

Yours faithfully,

Mr S Warrell
Head of School
