13<sup>th</sup> May 2020

Dear Parents/Carers,

I am sure you will of all heard by now, that it is the Government's plan to start opening Primary Schools from 1<sup>st</sup> June 2020 (after the Half-Term Holiday break). This date is subject to the country meeting the five tests for easing measures.

Initially, it is the Government's plan to open Nursery, Reception, Year 1 and Year 6 classes. I wanted to assure you that it is my intention to open Weobley Primary School in the way laid out by the Government.

As I am sure you will understand, this is going to require a great deal of detailed planning to ensure children and staff can return to school safely. At this point in time, I am not in a position to share with you the detailed plans, however, the planning is well under way and I hope to be in a position to share this with you early next week.

I understand that many of you may be reluctant for your children to return to school, however, I give you my assurance that every possible step to make the school as safe as possible will be taken to protect the school community.

May I thank you for your patience in this matter and also take this opportunity to thank you for helping us continue to deliver the children's learning.

Kind regards,

A handwritten signature in black ink that reads 'Stephen Warrell'.

Head of School
