Spring Term 2021 - Week 4

NOTE FOR PARENTS/CARERS We hope you and your children enjoy these activities. Dip in and out, try things out, pick and choose what works for you and your children. You don't have to attempt them all! Most of all, have fun together.

We recommend that YouTube videos are reviewed before children access them as, occasionally, inappropriate comments may be posted after we've viewed them.

HELLO MUSIC MAESTROS!

How did you get on with last week's activities? We hope you enjoyed the stories and music about castles. You did really well keeping to the beat and making up your own body percussion patterns. This week, we are diving down deep into the oceans of the world! 😊

Warm Up

Penguins Attention! It's very cold in Antarctica so get your bodies moving in time with Polly and listen to the sounds of the violin and cello!

The Lighthouse Keeper’s Lunch

Listen to Mrs Durrant tell this lovely story with musical ‘in-betweeny’ bits called interludes.

You could join in with the music sections. Wave a scarf, tissue or anything floaty or use body sounds or instruments like shakers or tambourines.

We would love to see video clips of you taking part in any of our activities and to share them on our social media channels. Grownups who look after you would need to do this. Send to - info@encore-enterprises.com
