Music	Rhythm Lego. A Lego Rhythm Activity This is the wonderful Mrs Durrant (her name rhymes with "currant") who has a great way for us to learn about rhythm patterns using Lego! When you finish the video, you could use Lego to make up your own rhythm in 4 beats like Mrs Durrant. Remember she uses 4 blue dots and each dot is one beat. You could use 4 coasters or cut 4 shapes from paper for your beats. Each beat can have 1 Lego brick ("ta"), 2 ("titi") or none (a rest). Practise clapping your rhythm or try playing it on an instrument or on something you can find at home like 2 wooden spoons tapped together. https://www.youtube.com/watch?v=6iMmEcR1tPw
