A Message from Mr Warrell.

What a term! I can with confidence say it's been a term like no other!

That said, I am full of admiration for how well the entire school community have drawn together to make it so successful. The children have been incredible demonstrating strength, resilience and determination to carry on as normal.

My staff have really stepped up to the challenge, they have been awesome - thank you to every single one of you for making the school a safe place to teach and learn whilst maintaining normality.

All of the parents and carers have been a great support, helping us to keep the school community as safe as we possibly can.

I wish you all a very Happy Christmas and a safe and prosperous new year.

The Christmas Grotto

Well what can we say...

The grotto was breath-taking, and we are so grateful to Blue Diamond (Hereford Garden Centre) for providing us with the resources to build such a magical space for the children. A huge thank you must also go to the Nursery Staff for being so creative, and of course, to Santa, who had a fabulous day with us.

Thank you for supporting our Save the Children wear a Christmas Jumper Day. A cheque for £133.00 has now been sent.

Tombola and Christmas Decoration Sale

First of all a huge thank you to all the parents, staff and governors for creating a large number of hampers for the Christmas tombola. We are delighted to advise that a total of £514.00 has been raised for the PSA (Parent Staff Association). The draw can still be seen on our Facebook Page.

The Christmas decorations which were donated by Wellington Home and Gardens and sold via our Facebook page, proved to be very popular. A total of £284.00 was taken.

COVID Won't Stop Santa

If you haven't already seen it, check out our new Christmas Song on Facebook, please spread the love by sharing the post with all of your friends and families.
