After a fantastic response from schools during Harvest 2025, we are hoping you will be able to support us again this year. Your generosity last year made a huge difference to local families, and as we prepare for what looks to be an even busier winter, your help is more important than ever.

Between January and June this year alone, Hereford Foodbank provided 7 day emergency food parcels for 2,376 people – including 801 children. Rising food costs are having a big impact on our work so every donation really does matter.

Last year, some schools came up with fantastic ideas to encourage donations, including competitions between houses and year groups to see who could collect the most items. We loved seeing how engaged the students were and the difference it made!

I have attached our Harvest Wishlist with details of the items we need most.

We are happy to visit your school to talk about the foodbank and/or arrange collection from your school. Alternatively, you can deliver your donation to the Food Bank in Hereford during opening hours.

If your school would like to take part again this year, please reply to this email or contact us at info@herefordfoodbank.co.uk.

Thank you for your continued support

Best wishes

June Wynter
