

Herefordshire Council Attendance Policy for Weobley Primary School

1. Aims

At Weobley Primary School, we are committed to promoting excellent attendance and ensuring that every pupil has access to the full-time education to which they are entitled. We recognise that regular attendance means attending all sessions, for the full duration of those sessions, except where there is a statutory reason not to attend, and we work in partnership with pupils, parents/carers and wider agencies to remove barriers to attendance and support every child to achieve their full potential.

This policy supports a whole-school approach to attendance, recognising that excellent attendance, punctuality and engagement are essential to pupils' wellbeing, safeguarding, attainment and future success. The aims of this policy are to:

- Set high expectations for attendance and punctuality for all pupils.
- Promote the importance and benefits of regular attendance.
- Reduce absence, including persistent and severe absence.
- Ensure every pupil can access the full-time education to which they are entitled.
- Identify and address attendance concerns at the earliest opportunity.
- Work collaboratively with families and other agencies to remove barriers to attendance.
- Support pupil wellbeing and safeguarding through effective attendance practices.
- Promote punctuality and ensure pupils arrive ready to learn.

This policy reflects the expectation that attendance is everyone's responsibility and that schools, families, pupils and partner agencies work together to secure the best possible outcomes for children and young people.

2. Legislation and Guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Maintained schools: Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2024](#)

- The [Equality Act 2010](#)
- It also refers to:
- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

3. Roles and Responsibilities

Detailed responsibilities sit with governors, headteacher, attendance lead, attendance officer, teachers, administration staff, parents and pupils. Attendance is a whole-school responsibility with regular monitoring and challenge.

Responsibilities of the Local Governing Body

The Local Governing Body is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

Responsibilities of the school's attendance leader

Zoe Semple of the senior leadership team will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the attendance policy is consistently applied throughout the school. This person will also ensure that attendance is both recorded accurately and analysed. (S)he will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

If absence is frequent or continuous, except where a child is clearly unwell, staff will discuss with parents/carers the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always rest with the school.

Responsibilities of classroom staff/form tutor/head of house

- Ensure that all pupils are registered accurately
- Promote and reward good attendance with pupils at all appropriate opportunities
- Liaise with the attendance leader on matters of attendance and punctuality

- Communicate any concerns or underlying problems that may account for a child's absence
- Support pupils with absence to engage with their learning once they are back in school

Responsibilities of The Attendance Officer

- Build strong relationships with families, listen to, and understand barriers to attendance and work with families to remove them
- Monitoring and analyzing attendance data, identifying early patterns of absence
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about individual pupils
- Work with education welfare officer to tackle persistent absence
- Regularly analyze attendance and absence data to identify pupils or cohorts that require support with their attendance and punctuality, putting effective strategies in place as a school team
- Advising the headteacher / head of school (authorised by the headteacher) when a referral is made to Herefordshire Council

Responsibilities of pupils

- Attend every day on time unless they are ill or have an authorised absence
- Attend every timetabled session on time
- Go to all their registrations and lessons on time
- Take responsibility for registering at the reception desk if they are late or are leaving the

school site during school hours.

- Engage positively with any offers of support offered
- If they are having difficulties that may prevent them from attending school, they should speak to their Assistant Head of House/Form Tutor/Head of House
- Pupils should be properly dressed and with the right equipment for the day

4. Recording Attendance

Registers must be taken morning and afternoon, corrections audited, attendance codes used correctly, and statutory retention requirements followed. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent – unable to attend due to unavoidable causes
- Any amendment to the attendance register will include:
 - The original entry
 - The amended entry
 - The reason for the amendment
 - The date on which the amendment was made
 - The name and position of the person who made the amendment

We will also record:

- For pupils of compulsory school age, whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:40am and ends at 3:20pm

Pupils must arrive in school by 8:50am on each school day.

Pupils arriving after the register has closed will be marked as having an unauthorised absence (U)

The register for the first session will be taken at 8:50am and will be kept open until 9:00am. The register for the second session will be taken at 1:00pm and will be kept open until 1:10pm.

5. Unplanned Absence

Parents must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00am, or as soon as practically possible, by calling the school office staff, who can be contacted via 01544 318273 or admin@weobleyprimary.co.uk. Schools will follow up with unexplained absence on the first day and take safeguarding action where appropriate

If your child is absent, you must contact us as soon as possible on the first morning of absence before 9am on the day of the absence and each subsequent day of absence and advise when they are expected to return.

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may do a home visit.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary
- Where relevant, report the unexplained absence to the pupil's social worker and/or youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: we may issue a notice to improve, refer for a penalty notice or other legal intervention, as appropriate.

6. Planned Absence and Leave

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parents notify the school in advance of the appointment.

Parents should email the school office or ring to request such an absence.

Where possible, the pupil should:

- Be out of school for the minimum amount of time necessary, and attend school before/after their appointment
- Wear school uniform to their appointment, to make it easier to return to school afterwards

However, we encourage parents to make medical and dental appointments out of school hours where possible.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad

- Attending an interview for employment or for admission to another educational institution
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence.

We define 'exceptional circumstances' as:

Rare and unexpected circumstances which are likely to reoccur. Examples include:

Medical emergencies

Family emergencies (eg death of a relative)

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence via an email to admin@weobleyprimary.co.uk. The headteacher may require evidence to support any request for leave of absence.

7. Lateness and Punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L)
 - After the register has closed will be marked as absent, using the appropriate code (U)
- > Arriving to school on time is paramount to your child's learning. It may seem minor but if it becomes a regular occurrence, it can impact your child's attendance record.
 - > We have outlined below the effect such a small amount of time can have on your child's overall learning throughout the year:
 - > • Arriving 5 minutes late every day adds up to over 3 days lost each year.
 - > • Arriving 15 minutes late every day adds up to 2 weeks absence a year.
 - > • Arriving 30 minutes late every adds up to 19 days absence a year.
 - > The school gate is open between 8.40am and 8.50am. With registers closing at 9am. If your child arrives after this time, then the whole morning session is marked as

unauthorised (unless lateness is due to a legitimate reason, such as a medical appointment). If your child has 10 unauthorised sessions within a rolling 10-week period, then this triggers a fine. This only relates to children who are of legal school age, which begins the term after their 5th birthday.

- Please see our new 3-point plan below to eliminate persistent late marks:
- 1. If you arrive to school after the gate has closed, you will be asked to fill in an attendance form, stating the time and the reason for your child's lateness. This form will then be reviewed by Mrs Thomas.
- 2. If you have had 3 unnecessary late arrivals to school after 9am then you will be asked to attend a meeting with Mrs Thomas to discuss how we can support you.
- 3. If after your meeting, late arrivals persist then this can lead to a fine and possible prosecution by the local authority.

8. Promoting Attendance

As a school we encourage good attendance through a range of strategies including:

- Listening to parents and pupils, building positive relationships
- Ensuring that good attendance is high profile in school through sharing daily/weekly data
- Letters to parents to stress the importance of good attendance
- Encourage positive engagement with support services
- Ensuring that good attendance is high profile in school through sharing daily/weekly data
- Reward school trips for 96%+ attendance by term
- Achieving value badges associated with attendance
- Being considered as a prefect
- Celebration assemblies
- Tutor group attendance celebration
- Individual attendance tracker
- Individual attendance plans
- Attendance focus groups
- Peer mentoring

9. Supporting Attendance

Promoting good attendance

The foundation for good attendance is a strong partnership between the school, parents and the child. The Home School Agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

To help us all to focus on this we will:

- provide information on all matters related to attendance on our website
- report to you 3 times a year on how your child is performing in school
- report 3 times a year attendance and punctuality rates and how this relates to their attainments
- celebrate good attendance with individuals
- reward good or improving attendance through year groups
- set targets for the school

My child is trying to avoid coming to school. What should I do?

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents/carers and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Contact your child's teacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem. In some cases, you may find it helpful to discuss the circumstances of your child's difficulties with another professional.

What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his/her education. Support may include meetings, attendance plans, mentoring, Early Help, family support, SEND adjustments and multi-agency working.

10. CME

Children Missing Education procedures must be followed when pupils cannot be located, fail to attend regularly or are removed from roll. Schools must notify the Local Authority where required and complete appropriate safeguarding enquiries.

When pupils leave school and no information regarding their new school/placement has been received by school and/or parents/carers cannot be contacted the school has a duty of care regarding safeguarding and must contact Herefordshire Council to advise of this situation.

This means that Herefordshire Council has a legal duty to investigate, this will include liaising with social care, police and other agencies to track and locate the pupil. Parents who give the new school details of the pupil's new school and location avoid unnecessary investigations and concern. Please see link

<https://www.herefordshire.gov.uk/support-schools-settings/children-missing-education-herefordshire>

If a pupil's attendance is a continued concern and below 50%, school may refer to Herefordshire Council's Children Missing in Education panel. The panel is chaired by Herefordshire Council. This is to review and assess alternative interventions.

11. Mental Health, SEND and Vulnerable Pupils

Attendance barriers should be assessed individually with reasonable adjustments and coordinated support where required. Schools should follow the Herefordshire graduated approach to attendance.

Where a child is absent for 15 days or more for the same condition, and who has evidence from an appropriate health care official stating the pupil is unable to access school despite the support that has been put in place, a referral will be made to Herefordshire Council's Inclusion and Engagement Panel. Please see link

<https://www.herefordshire.gov.uk/downloads/file/25881/herefordshire-education-of-children-with-medical-needs-policy>

Schools are legally required to notify Herefordshire Council where pupils are coded I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness.

12. Attendance Contracts and Notice to Improve

Attendance contracts may be used. Notices to Improve may be issued where support has not led to sufficient improvement and statutory criteria are met.

Attendance Contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parents (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

A notice to improve will be issued in line with processes set out in the [local code of conduct](#) for the Herefordshire.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

13. Penalty Notices

The Local Authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

Before referring for a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

If in an individual case Herefordshire Council believes a penalty notice would be appropriate, they retain the discretion to issue one before the threshold is met. Circumstances where this may apply include (not exhaustive): Several term time holidays below the threshold and repeated absence for birthdays or family events. When a parent purposefully tries to avoid a penalty notice by taking their child out of school when the school is open for four days for pupils and closed on the fifth day due to a bank holiday or training day. [Penalty Notice - Local Code of Conduct 2024](#)

- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

14. Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see sections 12 and 13, above)
- Students Missing Education (also known as children missing education or **CME**)
When students leave the school and no information has been received regarding their new placement and parents/carers are unable to be contacted, the school has a duty of care regarding safeguarding and must contact the Local Authority. The student will be deemed to be a 'Child Missing Education'. This means that the Local Authority has a legal duty to investigate, which will include liaising with Social Services, the Police and other agencies, to try to track and locate the child. By giving the school details of the students' new school and location, unnecessary investigations can be avoided. [Children missing education - Herefordshire Council](#)

- Children Missing in Education (CMIE) Where children are missing considerable amounts of their education despite high levels of intervention and support, then we may refer the student's case into the Child Missing in Education (CMIE) panel at the Local Authority

15. Reintegration Following Absence

Individual reintegration plans will be considered following lengthy or unavoidable absence.

16. Monitoring and Governance

Attendance data should be reviewed weekly, termly and annually and reported to governors.
